

## ***Statement of Responsibility for the Summary Financial Statements of the Province of British Columbia***

Responsibility for the integrity and objectivity of the Summary Financial Statements of the Province of British Columbia rests with the government. These financial statements are prepared by the Comptroller General under the direction of the Treasury Board, in accordance with the government's stated accounting policies. The fiscal year of the government is from April 1 to March 31 of the following year.

To fulfill its accounting and reporting responsibilities, the government maintains systems of financial management and internal control. These systems give due consideration to costs, benefits and risks, and are designed to provide reasonable assurance that transactions are properly authorized by the Legislative Assembly, are executed in accordance with prescribed regulations and are properly recorded. This is done to maintain accountability of public money and safeguard the assets and properties of the Province of British Columbia under government administration. The Comptroller General of British Columbia maintains the accounts of British Columbia, a centralized record of the government's financial transactions, and obtains additional information as required from ministries, agencies and Crown corporations to meet accounting and reporting requirements.

The Auditor General of British Columbia provides an independent opinion on the financial statements prepared by the government. The duties of the Auditor General in that respect are contained in section 10 of the *Auditor General Act*.

Annually, the financial statements are tabled in the Legislature as part of the Public Accounts, and are referred to the Standing Committee on Public Accounts of the Legislative Assembly. The Standing Committee on Public Accounts reports to the Legislative Assembly on the results of its examination together with any recommendations it may have with respect to the financial statements and accompanying audit opinions.

Approved on behalf of the Government of the Province of British Columbia:
